Icíaar (e.c.r.) Rivera Résumé:

- ❖ Science Major due to my huge interest in the environment
- ❖ Researcher → teacher
- ❖ Teacher to at-risk homeless youth, prison population
- ❖ Radio producer for 12+ years on community radio-
Topics range from local Los Angeles issues to socio-political
and woman specific
- ❖ Vested interest in Los Angeles and ensuring Angelenos get
dedicated representation

Candidate Statement

While I can imagine Los Angeles progressing to being recognized as the world class city we all know it to be; I am dedicated to keeping, honoring and maintaining its historical and cultural identity.

What this looks like:

- ❖ Maintaining the business and service functions of a neighborhood for its residents
- ❖ Being the voice for the permanent angeleno who actively uses its community services (libraries, rec centers, public schools, etc)
 - While still advocating for better and more efficient transit
 - Modernizing urban areas while respecting the ecology

My Political Priorities

Conscientious Progress

Preservation & Stasis

Inclusion

What can I add
to the HCNC?

- Interested, Involved & Dedicated
- Technology and Internet savvy
- Knowledgeable about local culture, the history of the area politically and socioeconomically

I hope to raise my children and live in this community for my foreseeable future

Thank You!
